

Youth Performance Groups 2022/2023

These groups provide an opportunity for the students to learn additional choreography, work with guest choreographers and to have more performing experiences. The YPG groups were created to give the dancers a professional dance company experience showing them what it would be like to be a dancer in a professional company. They are set up as repertoire companies; experience in auditioning, recreating works from previous years, learning new choreography, working with different guest artists, and having diversity in styles and performance.

- **Fundraiser.** We depend on money raised through YPG fundraising to help keep the YPG participation cost down for all our participants. Fundraiser will be announced in August. If you choose to participate in the fundraiser the minimum amount to fundraise is \$200.00. 50% of all proceeds go to YPG and the remainder to the product/vendor. If you do not wish to participate in the set fundraiser, there will be a donation option available as well. If you choose this opt out option a minimum donation of \$100.00 is required. You can choose to pay this with your YPG tuition payment or by the due date of the fundraiser.
